

Shipping & Warranty Policy

Shipping Timelines

Standard delivery takes 4-6 business days for metro cities and 6-9 business days for non-metro areas. Express delivery (available at checkout for an extra fee) takes 2-3 business days in metro cities.

Shipping Charges

Orders above Rs. 999 qualify for free standard shipping. Orders below Rs. 999 incur a flat shipping fee of Rs. 79. Express shipping costs an additional Rs. 149 regardless of order value.

Extended Warranty

Customers can purchase an extended warranty (1 or 2 additional years) at checkout for electronics and appliances. Extended warranty covers manufacturing defects and normal wear-related part failures, but does not cover accidental damage, water damage, or unauthorized repairs.

Warranty Claims Process

To raise a warranty claim, log into your account, go to 'My Orders', select the product, and click 'Raise Warranty Claim'. Upload photos of the defect and a brief description. Our team reviews claims within 3 business days and will arrange a free repair, replacement, or refund depending on the issue.

International Orders

We currently do not ship internationally. All orders must be shipped to an address within India. We are evaluating international shipping for late 2026.

Damaged or Missing Items

If your package arrives damaged or an item is missing, report it within 48 hours of delivery via the 'Report an Issue' option in My Orders. Do not discard the packaging until the issue is resolved, as we may request photos of the box.
